Why My Pizza has been voted #1 since 1993

My Pizza has been voted #1 by many publications since 1993 and has a 4.5 star rating on YELP! for having excellent customer service and the most unique, full flavored pizzas. Each gourmet pizza has been specially created to achieve a perfect balance of flavors, and we know you'll say "WOW!" after just one bite.

My Pizza refuses to use inferior ingredients, and takes pride in using only those of the highest quality. Even though we can purchase cheaper ingredients, we choose not to sacrifice the quality of our products.

Our prices may seem higher than some other restaurants, but at My Pizza you get quality AND value. Some large 15" gourmet pizzas weigh up to 5 lbs., while the giant 20" gourmets can be up to 10 lbs. We don't skimp on the quantity of our ingredients, so you will have every topping you ordered in each savory bite.
